Re: United States v. Rafael Caro Quintero
Criminal Docket No. 15-208 (FB)

Dear Judge Block:

The government respectfully submits this letter in advance of the status conference scheduled for March 26, 2025, to apprise the Court of the items it anticipates addressing during the status conference.

- Special Administrative Measures: On March 17, 2025, the Attorney General authorized the imposition of Special Administrative Measures (SAMs) to govern the conditions of the defendant's confinement. The government has provided defense counsel with a copy of the SAMs.
- Representation of the Defendant: At his arraignment, the defendant was provided with court-appointed counsel, and last week he was provided with court-appointed learned counsel. At the same time, the government has received outreach from various attorneys claiming that they may potentially be retained to represent the defendant.
- Protective Order: On March 4, 2025, the government provided counsel of record with a proposed protective order to govern the discovery in this case. The government requests that the Court enter the proposed protective order. The same protective order is already in place with respect to co-defendant Ismael Quintero Arellanes. (ECF No. 82).

Respectfully submitted,

JOHN J. DURHAM
United States Attorney
